CHAIR'S REPORT

The Board of Elections certified Shanquella Ross to fill the Single Member District 8D05 seat on November 21 and it was reported in the December 5 edition of the DC Register. No update has been provided on whether she has been sworn into office. The 8D04 seat remains vacant and will be published again in the DC Register on Friday, December 19

Met with Council Chair, Phil Mendelson to follow up on the Commission's outstanding actions:

- Resolution to Retain 199 Chesapeake Street SW in the Public Domain (25-2)
- Resolution to Redraw the Boundaries of ANC 8D and its Single Member Districts (25-3).

He had not reviewed them previously and promised to do so.

Met with the leadership team of Montgomery Hospice to gain more information about their plans to enter the DC market and request for a letter of support for their Certificate of Need application. They do not plan to build a facility at this time, but rather be based out of Sibley Hospital and focus on home hospice services.

TREASURER'S REPORT

November

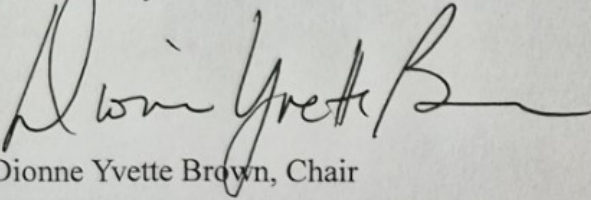

Beginning Balance			\$99,948.95
Deposits:	\$0.00		
Disbursements:		\$6.08	
Ending Balance			\$99,942.87

The transaction above was for reimbursement to our Chair for sending a certified letter on behalf of the Commission.

The Wells Fargo checking account was closed on November 30 and a new checking account opened at Bank of America December 2. The branch manager called Commissioner Brown on December 12 to demand we close the account because Bank of America no longer serves government entities. Commissioner Brown requested written documentation, a wire transfer at the institution's expense so we can have immediate access to our funds, and interest for every day the funds has been on deposit. The bank manager agreed, but has yet to submit anything related to this exchange in writing.

The meeting adjourned at 6:45 and the Commission's annual holiday party commenced.
